It's Gone (A David Quant Poem).

The tribulations of yesterday is gone,

Only the lessons now remain,

Mindsets were reframed and experiences were gained,

So my eyes are lifted up again,

To the things that are in-front,

And my heart opened again, so my freedom is not stunned,

For yesterday's mistakes no longer exist unless I replay it,

And His promises is at the door and I don't want to delay it,

Faith, hope and love is the key, to whatever lays behind that door,

I've seen faithfulness even when I didn't deserve it,

That's why I am able to believe now and forever more

-David Quant

I'm Addicted (A Reginald de Palm Poem)

I am addicted to a cloud of smoke

You are not thinking straight

don't think this is a joke

I am addicted to fume

And it doesn't smell like

It came out of a bottle of perfume

I am addicted to the scent, the air

It has to be because I have

A lot of time on hand to spare

I am addicted to your reaction

The expression of wtf??

Is food for thought and satisfaction
